

Oeuf

This is me.

And this is my home.  
I love it so much.

I didn't notice how dark  
my home was until...

...a crack!

If I stick my finger  
in the crack, my home  
is dark again!

Oh,  
but now my finger hurts!

Oh no!

I pulled my finger out  
and now the hole  
is bigger!

What was out there?  
I began to wonder.

So, I kicked the crack!

Argh! I just  
want

my foot

**FREE!!**

Oh no!

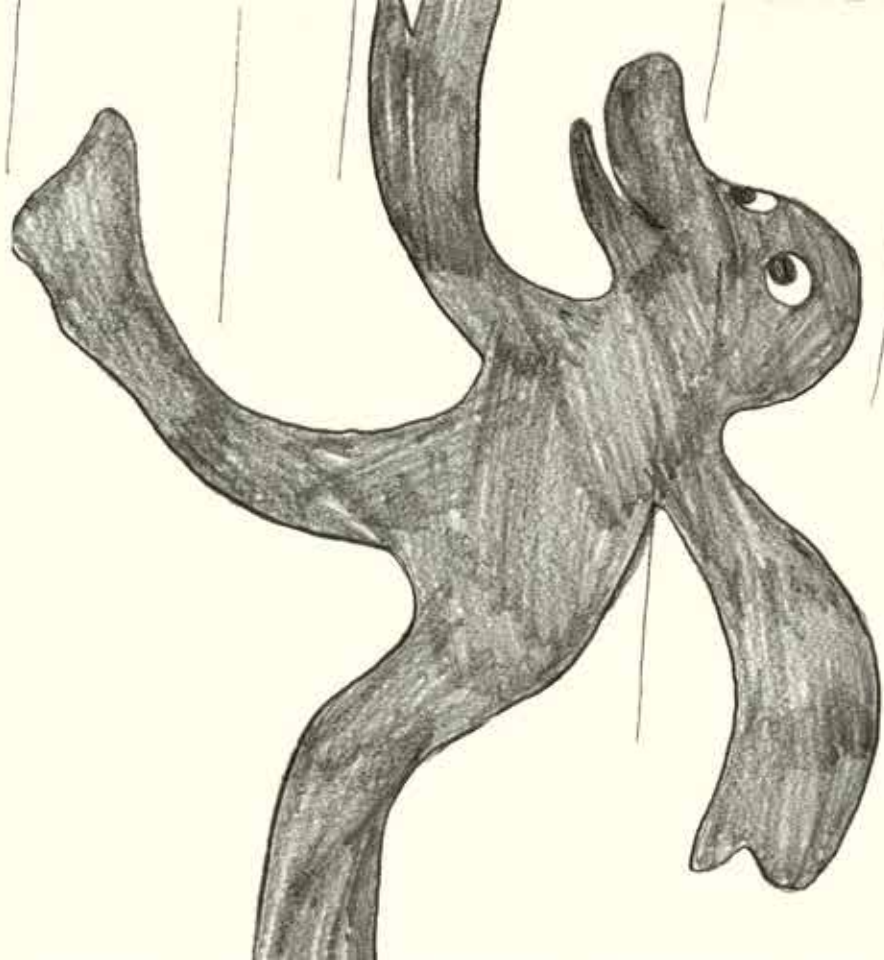

My beautiful home.

I'm falling.

Help!

Oh, wow! It feels  
so good to stretch  
my arms out wide.

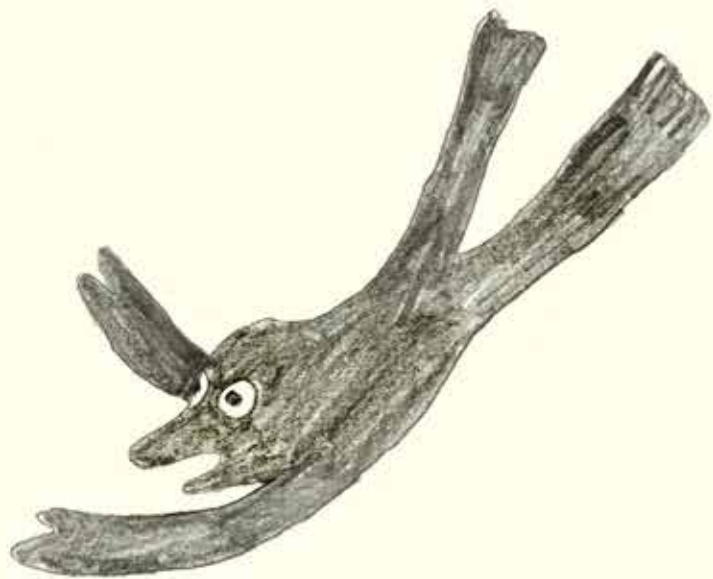

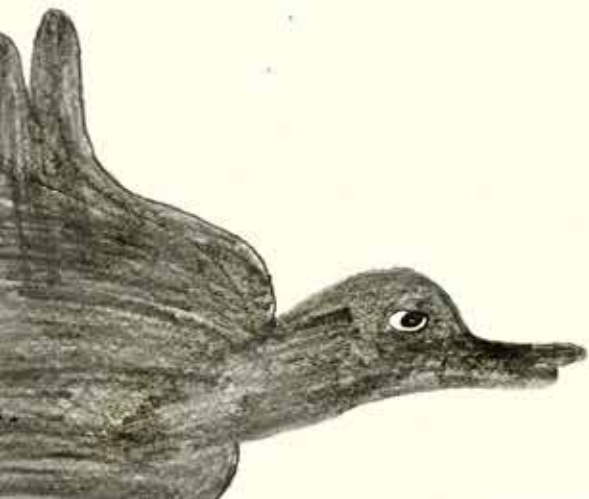

**W**ill I ever stop falling?

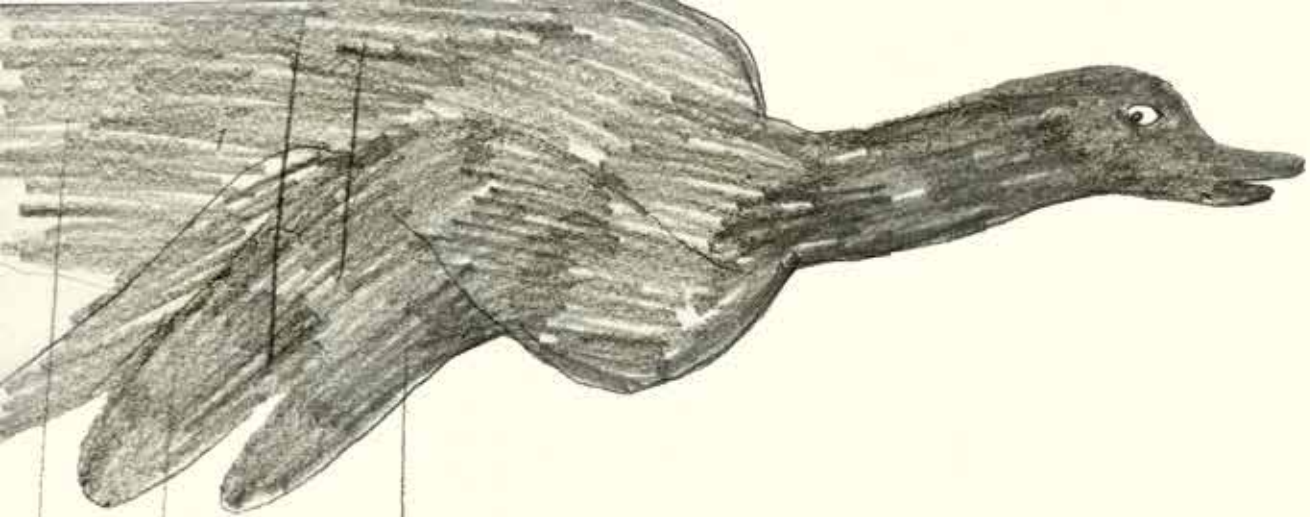

I miss my home.

**I** feel so alone.

Hey! You!  
What are you doing?

*I'm flying.*

Flying?  
What is flying?

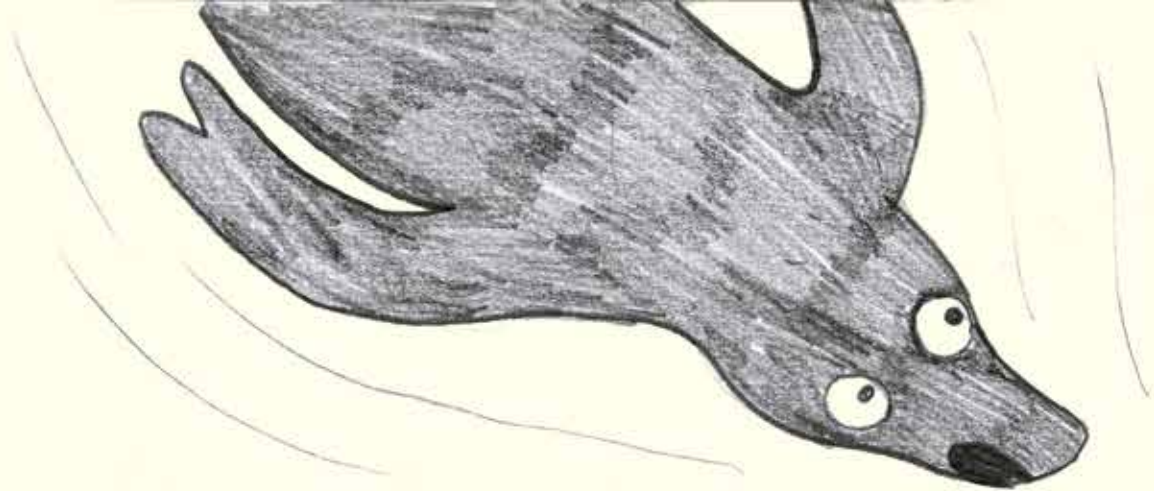

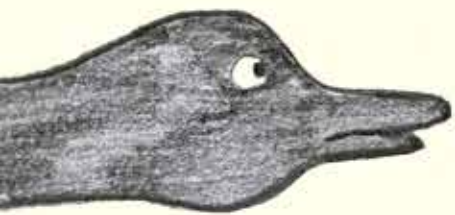

Try using  
your wings.

I have wings?

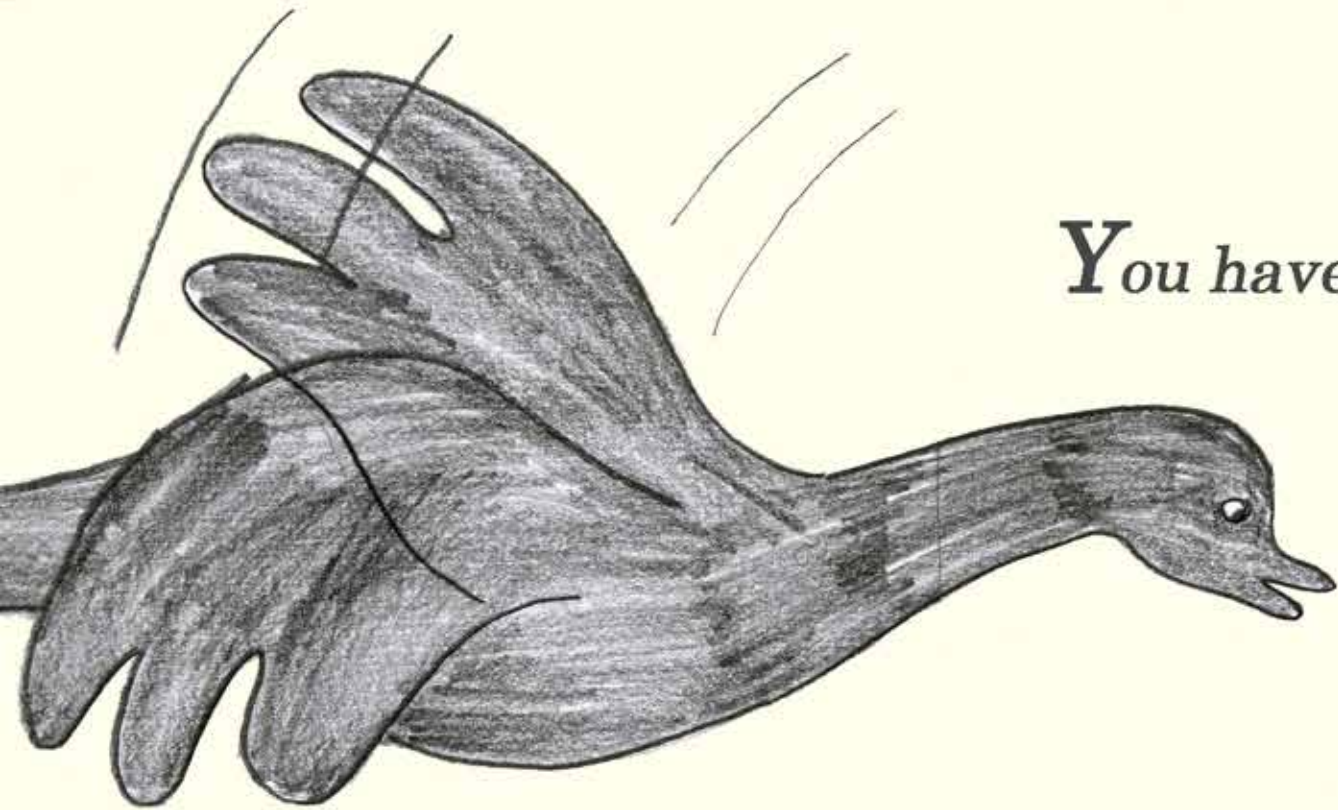

**I** have wings!

**W**ait! How do I  
use my wings?

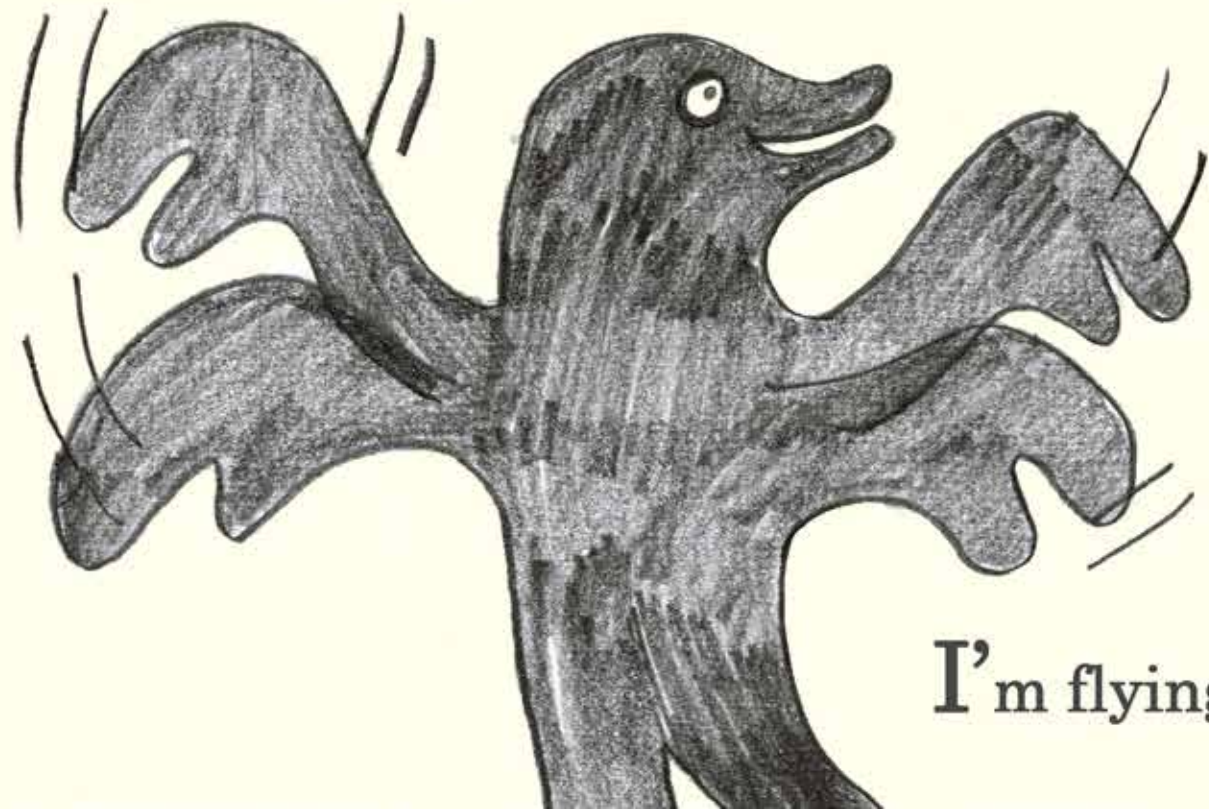

**Y**ou have to flap  
them up  
and down.

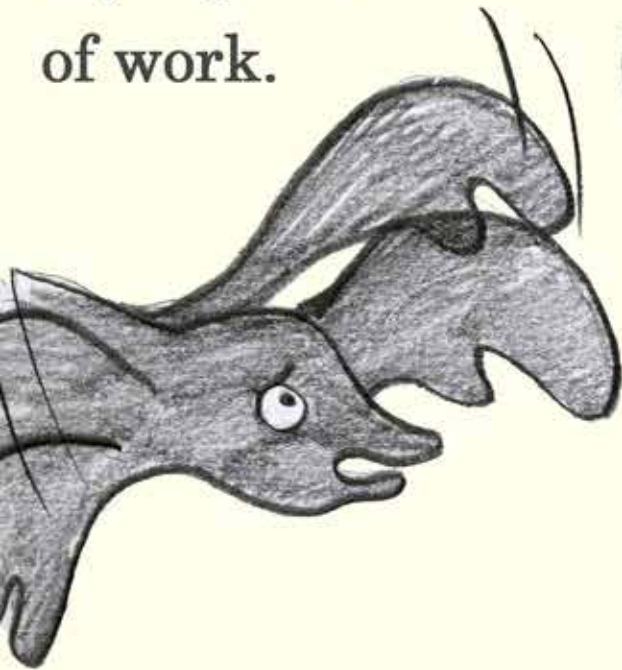

I'm doing it!

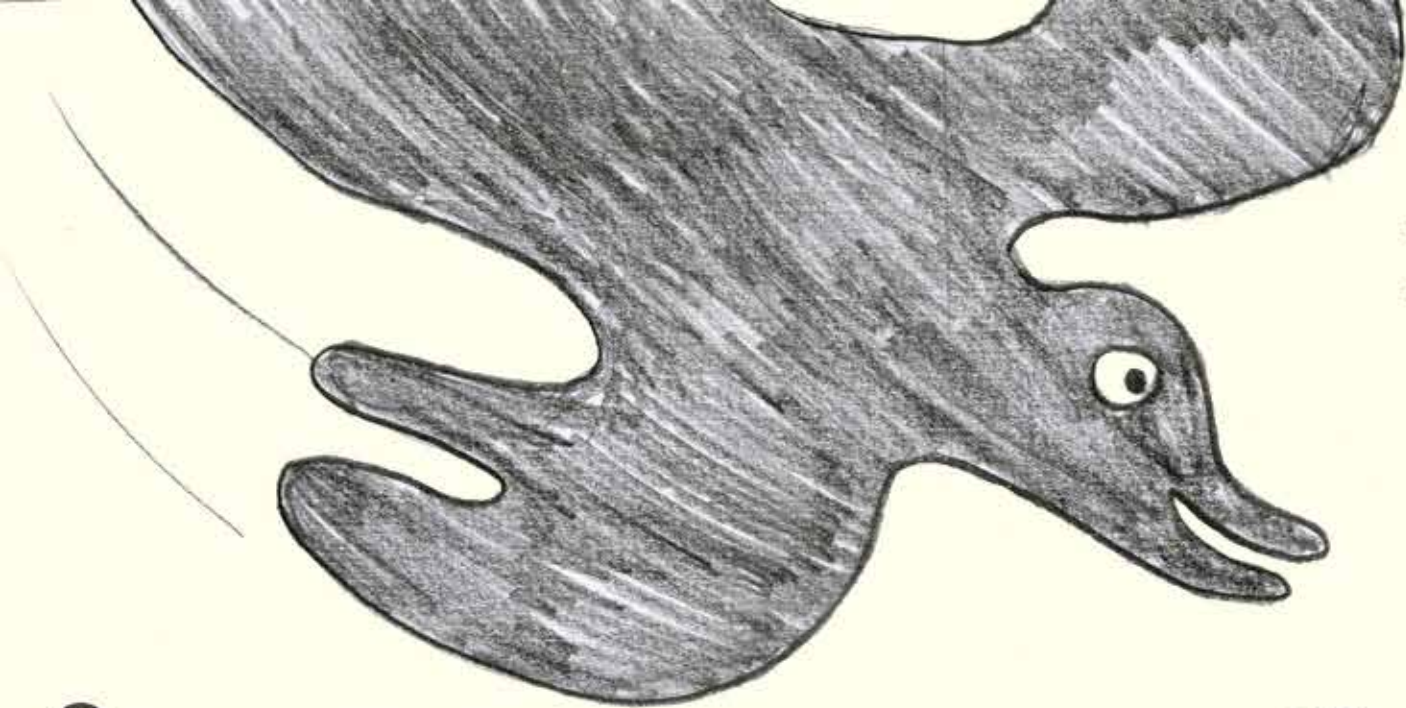

I'm flying!

**P**hew!

Flying is a lot  
of work.

*Don't forget to  
catch the wind.*

I'm soaring!

Look at  
the world.

Oh, the wind!

How glorious!

How marvelous!

Good-bye!
